There is some difficulty in giving effect to the proposals now.

In another connection, proposals have been received for abolishing the 2nd class magistrates Court at Tumkur and the I class magistrates Court at Bangalore and to redistribute the work of the magistrates among the magistrates. Therefore the proposals

in Nasik paragraphs 5 & 9 are Chinnoor, Nyson & Kolar. The venues suggested by the Chief Conv for the itinerant Courts in these districts are Sagar, Honnali, Hassan & Devankote, Yelandur, Channarajnagar, Bangalore, Kanakapura, Chintamani & Srinivaspur. It has to be ascertained whether suitable accommodation is available in these places for holding Courts & what additional expenditure the proposal with regard to these three Districts would involve. The proposals relating to the itineration of Magistrates may perhaps be considered later after the estimate of cost involved is received.

It will be a great convenience to the people of the Talukas within the jurisdiction of the Courts at Sagar & Nadhangini if 1st. class cases are also tried by the same Courts instead of by the 1st. Cl. Magts at the respective Head quarters. The recommendation of the Dt. Court in this behalf can be sanctioned at once. The (1) Magistrate lately posted to Sagar Nadhangini has already been invested with & has exercised 1st. class powers. The present (2) Magistrate at Sagar, however, has not yet been confirmed as a 2nd Cor. Munsiff. It is for consideration whether he may be invested with 1st-class powers or a more senior Magistrate posted to that place.

CHIEF COURT OF MYSORE
Public Office Buildings, Cubbon Park,
Bangalore 12th January 1928

R. O. C. No. 389
Dis. 27-8

Ch 109.27-1

From

A. Sreenivasaragavachari, Esq., B.A., B.L.,
Registrar, Chief Court of Mysore.

To

B. NAGAPPA, Esq., Bar-at-law.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Law Department,
BANGALORE.

Sir,

I am directed to invite reference to Government Order No. P. 1630-44/Cts. 227-26 dated the 24th September 1927, and to -- forward herewith, for the sanction of Government, final proposals of the Chief Court regarding the introduction of the circuit system -- and the redistribution of jurisdiction of Criminal Courts, as desired in Paragraph 2 (2) thereof. For the sake of convenience the recommendations have been grouped under 1. Circuit System and 2. Redistribution of work and territorial jurisdiction.

1. CIRCUIT SYSTEM.

Tumkur District:-

1. The 1st Class Magistrate at Tumkur to visit Maddagiri for about a week or so in a month to try the first class cases of Pavagada and Maddagiri Taluks.

2. The 2nd Class Magistrate at Maddagiri to go to Pavagada for a week or ten days in a month to dispose of the second and third -- class cases of Pavagada Taluk.

3. The 2nd Class Magistrate at Tiptur to go to Chiknaikanahalli to hear the second and third class cases of Chiknaikanahalli Taluk for a week or ten days in the month.

Chitaldrug

Chitaldrug District:-

1. The 2nd Class Magistrate at Chitaldrug to go to Chellakere for a week or 10 days in a month to dispose of the second and third class cases of the taluks of -- Holalkimuru and Chellakere. But if accommodation is or can be made available at Chellakere, this Court may preferably be shifted to Chellakere, its present jurisdiction being retained, in which case the itineration to -- Chellakere will become unnecessary and it is understood that accommodation is available at Chellakere.

2. The 1st Class Magistrate at Chitaldrug may go to Davangere for a few days in the month to hear and -- dispose of the 1st Class cases of that division. The 2nd Class Magistrate at Davangere to go to Hosadurga for a week or 10 days in a month to dispose of the second and third class cases arising in the Hosadurga taluk and in the hobli of Holalkere to the south of Holalkere Station. But if the proposal made elsewhere in this letter, to -- transfer jurisdiction over the Hosadurga taluk from the Special Magistrate Davangere to the 2nd class Magistrate, Chitaldrug in exchange for Jagalur taluk, is given effect to, then the itineration suggested above will become -- unnecessary.

Shimoga District:-

1. The 1st class Magistrate at Shimoga to go to -- Sagar for a few days (a week or 10 days) in a month -- to try the first class cases of that Division.

2. Without interfering with the existing arrangements in regard to Tirthahalli, the 2nd class Magistrate at -- Shimoga to go to Honnali for a week or 10 days in a month for the disposal of the second and third class cases arising in the Honnali taluk.

3.

3. The 2nd Class Magistrate at Sagar to go to Shiralkoppa for a week or 10 days in a month to dispose of the second and third class cases arising in the Taluks of Sorab and Chikarpur.

Mysore District:-

1. The 2nd Class Magistrate at Hunsur to go to Heggadadevanakote,

and

2. The Magistrate at Nanjungud to Chamrajnagar,

for a week or 10 days in a month for the disposal of second and third class cases arising in the taluk of Heggadadevanakote, in the former case, and in the taluks of Yelandur and Chamarajnagar, in the latter case.

Hassan District:-

1. The 2nd Class Magisttate at Saklespur to go to Belur for a week or 10 days in a month for the disposal of second and third class cases arising in the Belur Taluk.

2. The Magistrate at Hole-Narsipur to go to Channarayapatna for a week or 10 days in a month for the disposal of second and third class cases arising in that Taluk.

Kolar District:-

1. The Magistrate at Chikballapur to itinerate for a week or ten days in a month to Bagepalli and for a few days to Goribidnur to dispose of the second and third class cases arising within the Bagepalli taluk and Gudibanda Sub Taluk and Goribidnur Taluk.

2. The 2nd class Magistrate at Kolar to itinerate to Chintamani or Srinivasapur as the case may be according to the number of cases for disposal in these taluks in any particular month, for the disposal of the second and third class cases of

Chintamani

Chintamani and Srinivasapur taluks.

Bangalore and Kadur Districts:-

In these two Districts there is no necessity to introduce the system of itinerant courts.

As regards the accommodation for holding the courts in the places where itineration is suggested, it is understood that the necessary accommodation is or can be made available; and the Notification to be issued by Government in regard to this matter may follow the lines of Government Order No. P. 3178-82/Cts. 213-21-19 dated the 20th December 1924, in regard to the itineration of the Shimoga 2nd Class Magistrate to Tirthahalli, for the trial of the Criminal cases arising in that Taluk.

II. RE-DISTRIBUTION OF WORK AND TERRITORIAL JURISDICTION.

Chitaldrug District:-

1. The territorial jurisdiction over the Jagalur taluk may be transferred from the 2nd Class Magistrate, Chitaldrug to the Special Magistrate, Davangere, and the taluk of Hosadurga may be transferred from that court to the jurisdiction of the 2nd Class Magistrate, Chitaldrug, for reasons mentioned at pp. 79 & 80 of Mr. Justice C. S. Ramaswami Iyer's Special Report.

If this is given effect to, the itineration of the Special Magistrate, Davangere, to Hosadurga will become unnecessary.

2. If accommodation is or can be made available at Challakere, and it is understood it can be, it is preferable

to

to shift the second class Magistrate's Court from Chitaldrug to Chellakere, in which case the itineration to Chellakere suggested elsewhere will become unnecessary.

Bangalore District:-

1. The City Magistrate, Bangalore, may be invested with the power to transfer under Section 192, Criminal Procedure Code, to the Bench Court, cases cognizable by that court -- within his territorial jurisdiction.

2. Cases under Chapter XII, Civil Procedure Code (disputes as to immoveable property) arising in the Bangalore City may be made over to the City Magistrate, Bangalore.

3. Jurisdiction in regard to the 1st Class cases arising in the Bangalore taluk may be transferred from the City -- Magistrate to the Court formerly designated as that of the Special 1st Grade Magistrate, Bangalore.

Kadur District:-

The Munsiff of Narasimharajapura may be invested with second class magisterial powers and given jurisdiction over cases of those classes arising within the taluks of Koppa, Narasimharajapura and Sringeri.

2. The jurisdiction of the Amildar-Magistrate of Tarikere in regard to the trial of cases under the Breach of Contract Act, may be withdrawn,and such cases may in future be made to lie to the Special Magistrate, Tarikere, in -- modification of the recommendation of the District Magistrate, Kadur, sent to Government with this office No. R.O.C. 672/ 27-28 dated 20-12-1927.

It is desirable to invest selected second class Magistrates, with committal powers under Section 206, Criminal Procedure Code, and confer summary powers on all such first class Magistrates who, in the opinion of the Chief Court, are fit to exercise such powers.

I am also to recommend that in the Districts in -- which there is only one Special 1st Class Magistrate -- stationed, e.g., Chitaldrug, Kadur, etc., Sub Division officers who are Ex-officio 1st Class Magistrates may be empowered to try cases transferred to them by the District Magistrate, whenever a necessity arises, as for -- instance, where the Special 1st Class Magistrate is disabled from trying any particular case on personal or -- other grounds.

Option may be given to parties for the trial of cases either at the head-quarters of the Magistrates' Court or at the places where the courts itinerate, as recommended in para 36, Page 71 of Mr. Justice Doraswami Iyer's Special Report.

The Magistrates may receive complaints at the -- places where they itinerate.

I have the honour to be,

Sir,

Sir,

With reference to ypur letter No. R.O.Cts 389/27-28 dated 12-1-1928, forwarding proposals for the introduction o f the Circuit system and the redistribution of the jurisdiction of Criminal courts in the State, I am directed to observe that in view of the proposed abolition of the Special Second Class Magistrate's court at Tumkur, it may not be feasible to give effect to the itineration proposed for that district. The Magistrate's court at Hole-Narsipur has no separate presiding Officer, the work of this court having been added on to the Munsiff's court at that place and it is doubtful if the Munsff-magistrate can itinerate to Chennarayapatna without prejudice to his civil work. As regards Chitaldrug District, reference is invited to this office letter No.P. 3728/Cts, dated 7th Januray 1928, proposing that the Second Class Magistrate at Chitaldrug may be given civil work also in addition. If this proposal is given effect to, the Second Class Magistrate's Court will have to continue at Chitaldrug alone instead of being shifted to Chellakere as proposed by the Chief Court and the Magistrate may not have time to itinerate for a week to Chellakere for the disposal of second and third class cases of Chellakere and Molakalmuru, ~~if he continues at Chitaldrug.~~

2. I am to request that the above points may be considered and revised proposals forwarded if necessary. Information may also be furnished as to whether accom modation is availble in

in places where ~~itineration is suggested~~ itinerating Magistrates are to hold their Courts;
and as to the probable extra cost of the
scheme in respect of each District and the
source out of which the additional expenditure involved may be
met during the current year.

SIR,

Adverting to correspondence ending with your letter No. P. 4558/Cts. 169-27-2 dated the 11th February 1928 calling for revised proposals for the introduction of the Circuit System and the re-distribution of the Criminal Courts in the State, I am directed to forward the following modifications to the proposals made in my letter No. R.O.C. 389/27-28 dated the 27th October 1927.

1. Circuit System:-

Tumkur District.-

The II Class Magistrate of Madhugiri may be invested with I class powers as recommended in my letter No. R.O.C. 976 of 1927-28 dated 28th July 1928, so that he may try all classes of cases at Pavagada also. This would obviate the necessity for the I class Magistrate of Tumkur itinerating to Madhugiri.

Hassan District.-

With regard to this District the itineration by Hole Narasipur Magistrate may lie over for the present.

Shimoga District.-

Since there is a Magistrate at Sagar he may be invested with

First

First Class Powers and the I Class Magistrate at Shimoga need not itinerate to Sagar. If the II Class Magistrate at Shimoga has to go to Thirthahalli and to Honnali, there will be congestion in his court, where the pendency is showing a steady increase. The I Class Magistrate of Shimoga may therefore go to Thirthahalli instead of the II Class Magistrate and the latter may go to Honnali. The people of Thirthahalli will have the advantage of having their I Class cases also being tried at Thirthahalli.

Chitaldurg District.-

The question of the I Class Magistrate of Chitaldurg going to Davanagere may be deferred for the present as the question of posting a Sub ~~ordinate~~ Judge at Chitaldurg - and investing him with civil appellate powers is under consideration of the Chief Court. Pending decision - thereon the present arrangement may continue. If however the people of Davanagere complain of inconvenience to go to Chitaldurg for I Class cases, the Magistrate at Davanagere may be invested with I Class powers by posting a suitable officer there.

2. With regard to the suggestion of Government to give civil work to the Magistrate at Davanagere and Chitaldurg, I am to state that the Davanagere Magistrate cannot be given civil work as he has enough criminal work, that the Chitaldurg Munsiff does not require any relief and that the Magistrate at Chitaldurg will have sufficient work after the introduction of the itineration scheme.

3. I am to add that the Bench Courts in the places whereever the Special Courts itinerate may be abolished

To

Secretary to the Government of
His Highness the Maharaja of Mysore,
Law Department, BANGALORE.

SIR,

I am directed to state that the District Magistrate of Shimoga in his letter No.J.1.195/28-29 dated 11th October 1928 has submitted the following proposals regarding adjustment of magisterial work in his District with a view to afford better facilities and convenience to parties and witnesses attending criminal courts:-

(1) The Special First Class Magistrate, Shimoga to hold court for about a week at Honnali and try all kinds of cases arising in that Taluk.

(2) The Special Second Class Magistrate at Shimoga to continue to hold his court at Thirthahalli for about a week as at present.

(3) The Special Magistrate at Sagar to hold court at Shiralkoppa for about a week to dispose of cases relating to Shikarpur and Sorab Taluks.

(4) Abolition of the Bench Courts at Honalli and Kallurkatte.

As regards (1) and (2), I am to state that the Chief Court has already suggested that the Special First Class Magistrate Shimoga should itinerate to Thirthahalli instead of the Second Class Magistrate of Shimoga and the latter to Honnali, so that the people of Thirthahalli may have the advantage of having their First Class also tried at Thirthahalli (vide my letter R.o.c.No.389 of 27-28 dated 13th November 1928)

As regards (3), I am to state that the Chief Court has likewise already suggested that the Special Magistrate, Sagar who is now exercising First Class powers, should itinerate to Shiralkoppa as well as to Kallurkatte (now Hosanagara) each for a week in a month to try in the former place cases arising in the Taluks of Sorab and Shikarpur and in the latter place cases arising in the Nagar Taluk which will minimise the inconvenience arising from the abolition of the Bench Court at Kallurkatta - as already proposed in my letter R.o.c.No.772 of 27-28 dated 24th January 1928.

With regard to (4) the Bench Courts may be abolished as already recommended.

I am to request that the Government may be pleased to approve of the recommendation made by the Chief Court and pass early orders.

I have the honour to be,

Sir,

Your most obedient servant,
